INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Big Brothers Big Sisters Southeastern Pennsylvania

Report on the Financial Statements

We have audited the accompanying financial statements of Big Brothers Big Sisters Southeastern Pennsylvania (the "Organization"), which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities and changes in net assets, functional expenses, and cash flows for each of the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on the previous page present fairly, in all material respects, the financial position of Big Brothers Big Sisters Southeastern Pennsylvania as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for each of the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of outcomes, which is the responsibility of management, is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on the schedule of outcomes.

Notes to Financial Statements December 31, 2012 and 2011

NOTE A - ORGANIZATION

The mission of Big Brothers Big Sisters Southeastern Pennsylvania (the "Organization") is to improve the lives of children and strengthen communities through professionally supported, one-to-one mentoring relationships.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of presentation:

The financial statements of the Organization have been prepared utilizing the accrual basis of accounting.

[2] Use of estimates:

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

[3] Cash and cash equivalents:

Cash and cash equivalents include all cash balances and highly liquid investments with an initial maturity of three months or less. The Organization places its temporary cash investments with high-credit quality financial institutions. At times, such funds may be in excess of the Federal Deposit Insurance Corporation insurance limit. Management believes that it is not exposed to any significant credit risks on its cash accounts.

[4] Contributions, pledges, and grants receivable:

Contributions receivable include individual, government, corporate and foundation amounts. Contributions are recorded in the period received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. The Organization records contributions at the estimated present value of the future cash flows, net of allowances for doubtful accounts. The allowance is based on prior years' experience and management's analysis of specific promises made, collectability and historical trends in collection. Revenue from government grants is recognized as expenditures are made.

[5] Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets and are offset by investment expenses of \$9,143 and \$11,360 for the years ended December 31, 2012 and 2011, respectively. Upon Board approval, up to 5% of the prior year's ending investment balance can be used to offset general operating expenses and/or for budgeted program expenses. The Organization did not transfer any of the investment balance during the years ended December 31, 2012 and 2011.

[6] Property and equipment and depreciation:

Property and equipment are stated at cost. Major renewals and betterments are added to the property accounts while ordinary maintenance and repairs are expensed currently. Upon sale or retirement of an asset, the cost and related accumulated depreciation are removed from the accounts and the resultant gain or loss, if any, is included in income. Donated equipment is capitalized at fair value as of the date of the donation.

Notes to Financial Statements December 31, 2012 and 2011

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[6] Property and equipment and depreciation (continued):

Depreciation is provided using straight-line as well as accelerated methods over the estimated useful lives of the related assets, ranging from three to seven years. Depreciation for the years ended December 31, 2012 and 2011 was \$44,849 and \$39,338, respectively.

[7] Classification of net assets:

The Organization's net assets have been grouped into the following three classes:

Unrestricted Net Assets

Unrestricted net assets are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

• Temporarily Restricted Net Assets

Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Permanently Restricted Net Assets

Permanently restricted net assets are subject to donor-imposed stipulations that the assets be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investment for general or specific purposes.

[8] Functional expenses:

Expenses are charged to program services based on direct expenditures incurred. Any expenditures not directly chargeable have been allocated among program and supporting services classifications on the basis of time records and on estimates made by the Organization's management.

NOTE C - RECEIVABLES

Contributions, pledges, and grants receivable, which are receivable in more than one year, are discounted at a rate of 5% to approximate fair value. In determining fair value, the Organization considers the creditworthiness of the donors, the Organization's past collection experience and its procedures to collect promises to give.

Notes to Financial Statements December 31, 2012 and 2011

NOTE C - RECEIVABLES (CONTINUED)

Contributions, pledges, and grants receivable as of December 31, 2012 and 2011 are as follows:

Contributions, Pledges, and Grants Receivable	2012	2011
Less than one year One year to five years Over five years	\$ 830,768 219,554 236	\$ 940,312 452,805 780
Total receivables	1,050,558	1,393,897
Less total discounts to net present value Less allowance for uncollectable receivables	20,712 21,976	63,353 21,976
Total net receivables	\$ 1,007,870	\$ 1,308,568

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants.

In determining fair value, the Organization uses various valuation approaches, including market, income and/or cost approaches. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the topic are described below:

- Level 1 Quoted prices for identical assets or liabilities in active markets.
- Level 2 Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.
- Level 3 Significant inputs to the valuation model are unobservable.

The following is a description of the valuation methodologies used for assets measured at fair value, which have not changed from those used at December 31, 2011.

Mutual funds - Valued at the net asset value of shares held by the Organization at year-end.

Common stocks and exchange traded funds – Valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements December 31, 2012 and 2011

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying assets and liabilities.

The following table sets forth, by level, the Organization's assets at fair value, within the fair value hierarchy as of December 31, 2012 and 2011:

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Changes in fair value levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets. For the years ended December 31, 2012 and 2011, there were no transfers into or out of Levels 1, 2 or 3.

NOTE E - LINE-OF-CREDIT

Effective August 28, 2012, the Organization obtained a new revolving line-of-credit to finance operations, which has a maximum borrowing availability of \$500,000, and bears interest at the bank's prime (prime was 3.25% as of December 31, 2012). Under the agreement, the Organization must maintain an average deposit and operating balance of \$500,000. There was no outstanding balance on this line-of-credit as of December 31, 2012. The agreement has an expiration date of June 30, 2013. This obligation is secured by substantially all assets of the Organization.

Prior to obtaining the line-of-credit noted above, the Organization had available a \$500,000 bank line-of-credit which expired on February 1, 2011. Subsequent to the expiration, the bank elected not to renew that line-of-credit.

NOTE G - PERMANENTLY RESTRICTED NET ASSETS

Big Brothers Big Sisters Southeastern Pennsylvania received permanently restricted net assets in the amount of \$35,950 as a result of its merger with Montgomery County Big Brothers Big Sisters Association, Inc. The earnings on these permanently restricted net assets are used for general operations.

NOTE H - MAJOR REVENUE SOURCES

In 2012 and 2011, approximately 36% and 45%, respectively, of Big Brothers Big Sisters Southeastern Pennsylvania's revenue was from private foundations and corporations. Additionally in 2012 and 2011, 9% and 15%, respectively, of Big Brothers Big Sisters Southeastern Pennsylvania's revenue came from individual contributions. However, no single foundation, corporation, or individual represents a significant portion of these percentages.

In 2012 and 2011, an additional 38% and 30%, respectively, of Big Brothers Big Sisters Southeastern Pennsylvania's revenue was from government grants. Major funding sources include, but are not limited to, the U.S. Department of Justice, Commonwealth of Pennsylvania, and the City of Philadelphia. In the event these grants and contracts are discontinued or severely restricted, the activities of Big Brothers Big Sisters Southeastern Pennsylvania would be curtailed accordingly.

NOTE I - CONTRIBUTED SERVICES

Donated services are recognized as contributions, in accordance with FASB ASC 958, *Not-for-Profit Entities*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated legal services recognized were \$4,780 and \$10,000 for the years ended December 31, 2012 and 2011, respectively. For the years ended December 31, 2012 and 2011, donated legal services were provided by firms, of which a partner was a member of the Board of Directors of the Organization.

A substantial number of unpaid volunteers have made significant contributions of time to the Organization. The value of this contributed time is not recorded in these statements since it did not meet the criteria necessary to be recorded under accounting principles generally accepted in the United States of America. However, the very existence of the Organization is dependent upon such unpaid volunteer services.

NOTE J - FEDERAL AND STATE INCOME TAXES

The Internal Revenue Service ("IRS") has classified the Organization as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("Code"); as an organization, contributions to which are deductible under Section 170(c) of the Code; and as an organization that is not a private foundation as defined in Section 509(a) of the Code.

Accounting for Uncertainty in Income Taxes clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2012 and 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization recognizes accrued interest and penalties associated with uncertain tax positions, if any. There was no income tax related interest or penalties recorded for the years ended December 31, 2012 and 2011. The income tax returns of the Organization for the years ended December 31, 2009, 2010 and 2011 are subject to examination by the IRS and other taxing authorities, generally for three years after they were filed.

Notes to Financial Statements December 31, 2012 and 2011

NOTE K - LEASE OBLIGATIONS

Big Brothers Big Sisters Southeastern Pennsylvania leases its facilities under operating leases with various terms expiring through 2017. Monthly payments range from approximately \$1,500 per month to approximately \$8,000 per month over the course of the leases. Rental expense for the years ended December 31, 2012 and 2011 was \$165,481 and \$230,507, respectively. Scheduled future minimum lease payments for leases with terms in excess of one year are as follows:

2016	99,898
2017	14,919
	\$ 485,782

NOTE L - RETIREMENT PLAN

The Organization has a 403(b) defined-contribution retirement plan that covers all eligible employees. Employees may contribute to a voluntary tax deferred annuity program up to the amount allowed by the Code. Effective May 1, 2011, the Board of Directors approved the suspension of all Organizational contributions to the employee retirement plan, both in the form of matching contributions and direct pension funding. The Organization will consider reinstatement of the matching program and direct funding in the future as economic conditions warrant. The Organization contributed \$-0- and \$7,840 during the years ended December 31, 2012 and 2011, respectively, net of fees.

NOTE M - SELF-INSURED UNEMPLOYMENT TRUST

The Organization funds its own unemployment claims through a third-party insurance provider. Quarterly contributions are made based upon the Organization's payroll and all claims are paid from the escrowed fund balance. The escrow fund balance as of December 31, 2012 and 2011 was \$17,491 and \$17,891, respectively, and represents premiums paid in excess of liability for claims paid out on behalf of the Organization.

NOTE N - SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through April 2, 2013, which is the date the financial statements were available to be issued.

A Brief Look at Big Brothers Big Sisters SEPA in 2012

2,920 Children Served in Calendar Year 2012

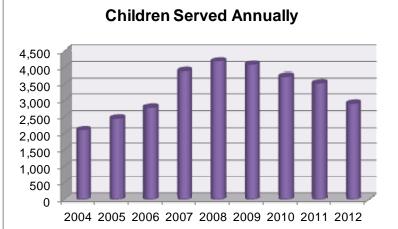

This number is even more impressive given that for every at-risk child served, there were another 2,920 carefully screened and trained volunteers taking an active role in our one-to-one mentoring program as well.

In total, **5,840** children and adults were active participants in the Big Brothers Big Sisters Program in 2012.

Time Invested

2,920 volunteers means that between 70,080 to 140,160 hours of volunteer time were served in 2012 - estimated at what we leveraged for our community last year.*

* Based on an average of 2-4 hours per month per volunteer.

Strategic Sustainability

Our growth and sustainability has

been carefully planned and implemented. To ensure that, in economically challenging times, the number of children matched in our programs remains steady and impactful, we have invested in strategic marketing and communications campaigns designed to increase awareness of the need for BBBS mentoring, and for the funding to support this life-changing mission.

Fiscal Soundness

Big Brothers Big Sisters SEPA has earned a three or four star rating from Charity Navigator for each of the past seven years, indicating that we have "exceeded industry standards, outperformed most charities and managed our finances effectively."

Positive Impact

Children who were matched with mentors (Bigs) demonstrated the following¹:

99% avoided becoming a teen parent.

97% did not have any arrests, convictions, or were on probation.

90% avoided fights using weapons.

95% avoided alcohol and drugs.

96% passed their classes and progressed to the next grade.

"Before Big Brothers Big Sisters, I didn't see myself being this intelligent. I'm not like other kids my age...now I'm thinking about ivy league colleges."
