

**Big Brothers Big Sisters**

SERVING SOUTHEASTERN PA & SOUTHERN NJ

## Match Activity - Program Partnership

If you and your Little have been wanting to do something which is just a bit out of the budget, One Simple Wish can assist you in making this wish come true.

*One Simple Wish (OSW)*, a nonprofit organization that grants wishes to children and families in need allows Big Brothers and Big Sisters to request special items or match activities for their Littles.

Examples of wishes include amusement park tickets, museum admission tickets, music or art lessons, and gift cards to special restaurants to celebrate special occasions (Match Anniversaries, school graduation, birthdays).

### **Wish Guidelines:**

- *Matches can ONLY request 2 wishes per year – so use them wisely.*
- Wishes should be under \$100 in value.
- Items must be for children's use but can include additional tickets for Bigs if tickets are being requested.
- If the wish is time sensitive (such as tickets to a play), please include the date and time you would like to attend.

### **To submit your wish:**

Please call your Match Support Specialist and let them know you would like to submit a wish for your Little through the "One Simple Wish" program. Your Match Support Specialist will ask you questions about the wish, to determine its viability for submission and to confirm that you have not submitted 2 wishes already during the calendar year.

Please remember that all submissions are requests and there is no guarantee that your wish will be granted. Therefore, please do not share with your Little that you are submitting this request – they will not be disappointed if it is not granted.
