## **Create your own Commemorative Postage Stamp Design**

### **What you'll need:**

- Postage Stamp Handout
- Pencil, pen, crayons or markers

### **What to do:**

1. Think of someone famous you admire, someone who is special to you, a significant occasion, a worthwhile cause, a problem you'd like to see solved, or anything that you really like.
2. Draw your own, original stamp design to honor that person or occasion, or to raise awareness for the cause or problem.
3. Then answer the questions about why you created the stamp.

My stamp is in honor of \_\_\_\_\_  
I chose to put this on my stamp because \_\_\_\_\_
