

**Big Brothers Big Sisters**

## Family Trivia

**About:** This activity is aimed to encourage conversation between Bigs and Littles about their respective families and exciting experiences their families shared. This game requires Bigs and Littles to tell real stories from their past and also to use imagination to come up with stories.

**What you'll need:** Family Trivia game cards (3 colors per set)

### Instructions:

1. Sort the cards by color into three colors with the "Family Trivia" side showing
2. Each turn, the Big or Little picks the top card off of each pile so that he or she is holding three cards
3. Based on the cards, tell a story, whether real or imaginary, about his or her family
4. Place the cards at the bottom of the pile and then the next person will select three cards and tell a story

### Notes:

- The cards are split up into 3 categories
  1. The green cards give you the task (tell a story..., predict..., remember a time when...)
  2. The blue cards tell you what person the story should be about (Mom, Cousin, Uncle)
  3. The pink cards tell you the event that should be included in the story (holiday, dinner, a surprise)
- If you select a card that does not pertain to you (ie if the Little is an only child and selects sibling), place the card at the bottom of the pile and select a new one.
- Feel free to ask questions about each others' stories and family members!
