

**Big Brothers Big Sisters**

## **On the Other Hand...**

Are you ambidextrous? Someone who is ambidextrous can use both of their hands equally well. Most people are not ambidextrous; they have one hand that is dominant and can do things better than their other hand. Put both your hands to the test and see how they do!

<b>Little, write your name LEFT handed:</b>	<b>Little, write your name RIGHT handed:</b>
<b>Little, draw a picture LEFT handed:</b>	<b>Little, draw a picture RIGHT handed:</b>

<b>Big, write your name LEFT handed:</b>	<b>Big, write your name RIGHT handed:</b>
<b>Big, draw a picture LEFT handed:</b>	<b>Big, draw a picture RIGHT handed:</b>

**What else, besides writing, can you do to test your hands?**
