

Big Brothers Big Sisters

## Create your own Island

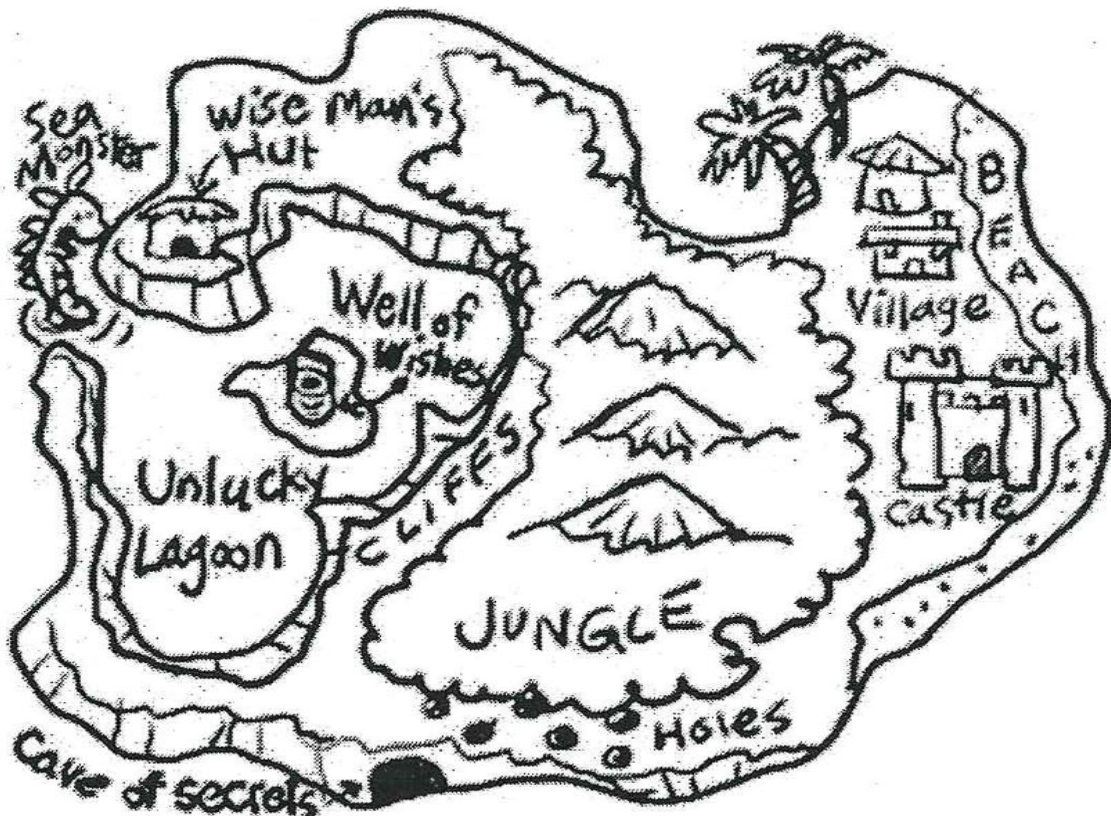

### What you'll need:

- Island handout
- Pencil, pen, crayons or markers

### What to do:

1. Use the general Island form provided.
2. Now add some features. Give it some mountains or a volcano. Put in rivers, swamps, or lakes. It could have forests, beaches, caves, villages, How about an old, deserted pirate town?
  - a. Did you know that islands don't have to be tropical? There are rocky islands, jungle islands, and since this is an imaginary island, any combination of elements you want)
3. Now decide who lives on the island. Maybe it's a clan of long-lost Vikings, Or talking birds. Or two groups on each side that don't' get along with each other. This might help you give your island a name?
4. If you want, start your own story about your Island. What happens when two kids get shipwrecked there? Or a time-traveler shows up?
